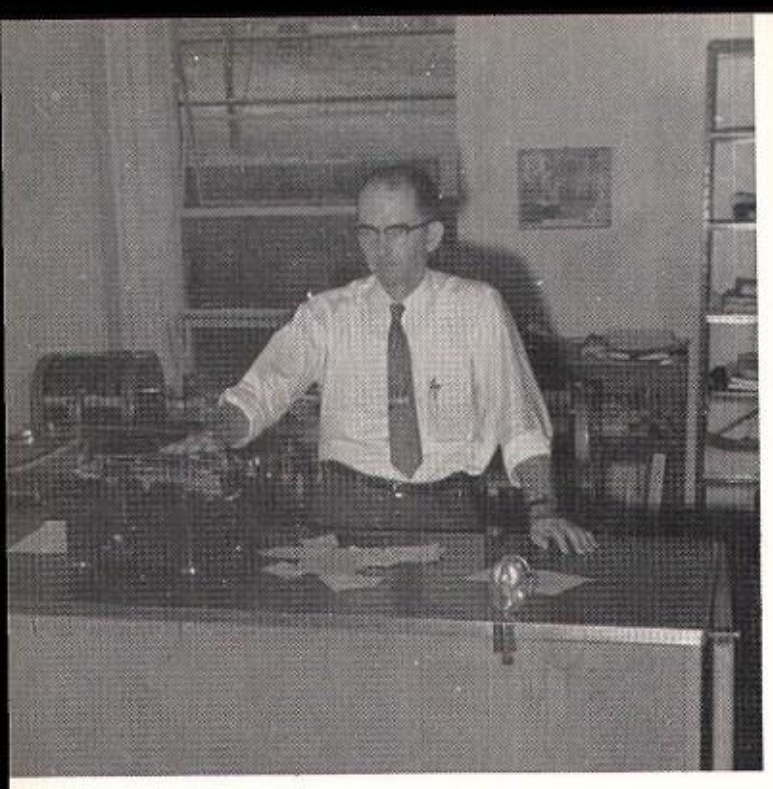
This Was Your Life

Students of
Roane County
High School
1957-1958
...ston, Tennessee

ROANE COUNTY HIGH

As you travel o'er life's pathways, you will encounter numerous experiences you will wish to relive. There are countless footsteps you would like to retrace.

Your days spent at RCHS will always be among your most cherished memories. Through the pages of this 1957-58 KINGSTONIAN, we have tried to capture moments you will want to remember.

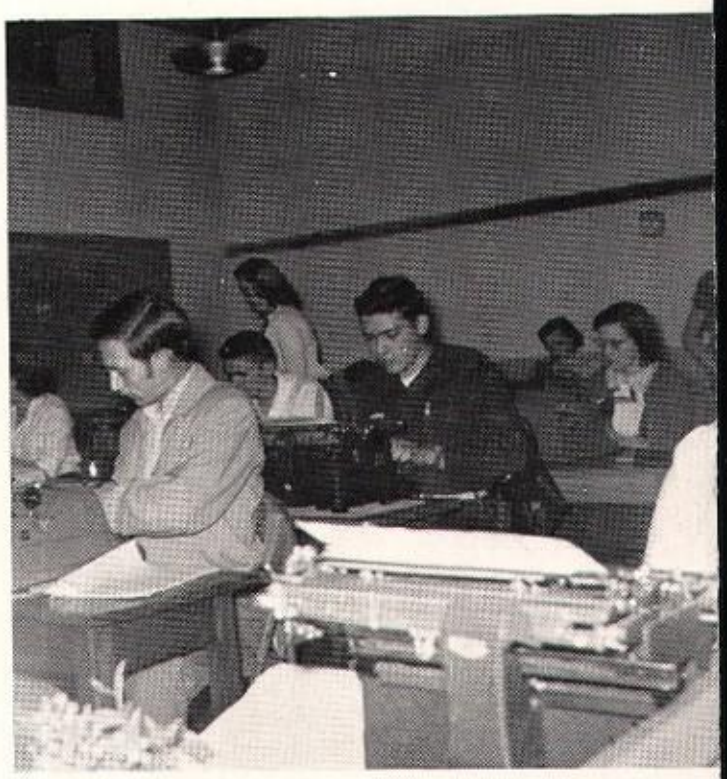


As usual, Mr. Evans held the upper hand in all matters.

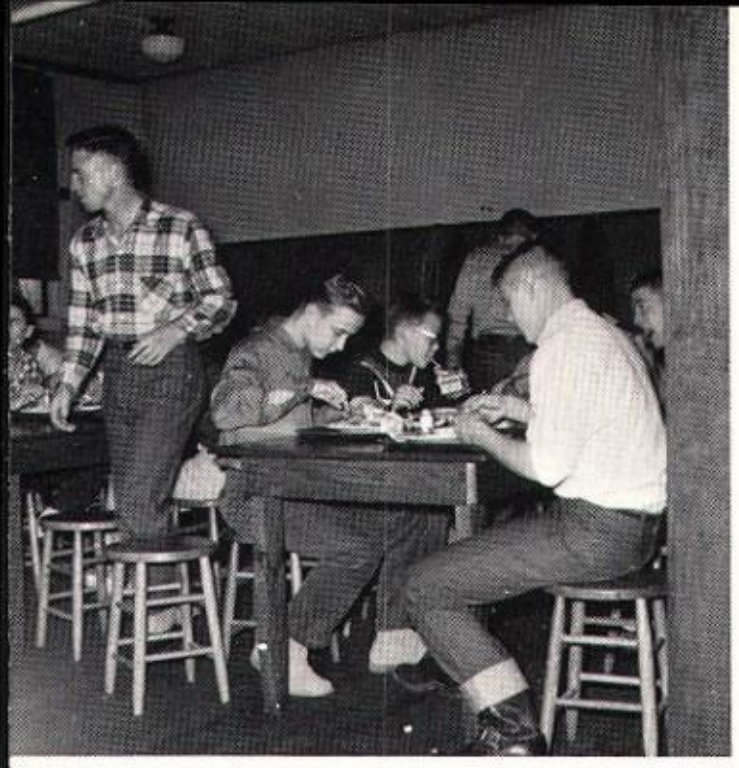
Remember those study halls in the library.

R.C.H.S. girls will remember hours spent in Home Economics.

We shall never forget those busy typing classes.



Most Sophomores conformed to class order such as this; but at other times, they let their hair down.



The lunch room was crowded -------but we ate.

Most students made their way to school via the school bus.

Those 3 min. never seemed long enough to make our way through the crowded halls.

Remember those c-r-a-z-y movies!

Some of the students preferred to go steady while others played the field.

Senior girls will long remember the lunches that were eaten around the radiator.

DEDICATION

Mrs. C. L. RYMER
AND
Mrs. JAMES ANGLIN

The Class of 1958 dedicates this issue of THE KINGSTONIAN to Mrs. C. L. Rymer and Mrs. James Anglin, who have faithfully sponsored us through four years of school. They have shown interest and friendly cooperation, and have worked hard to assist us as individuals and as a class. In making this dedication, we extend to Mrs. Anglin and Mrs. Rymer our thanks and appreciation.

Twelve years of fun and hard work drew to a close as the Senior Class marched down the aisle for the last time. All too soon the year was over. Deserted corridors and vacant lockers reminded them of "one of the best years of their lives."

Having been given the title of "superior seniors," they took charge of great responsibilities. An active participation in school activities was an outstanding characteristic of this class.

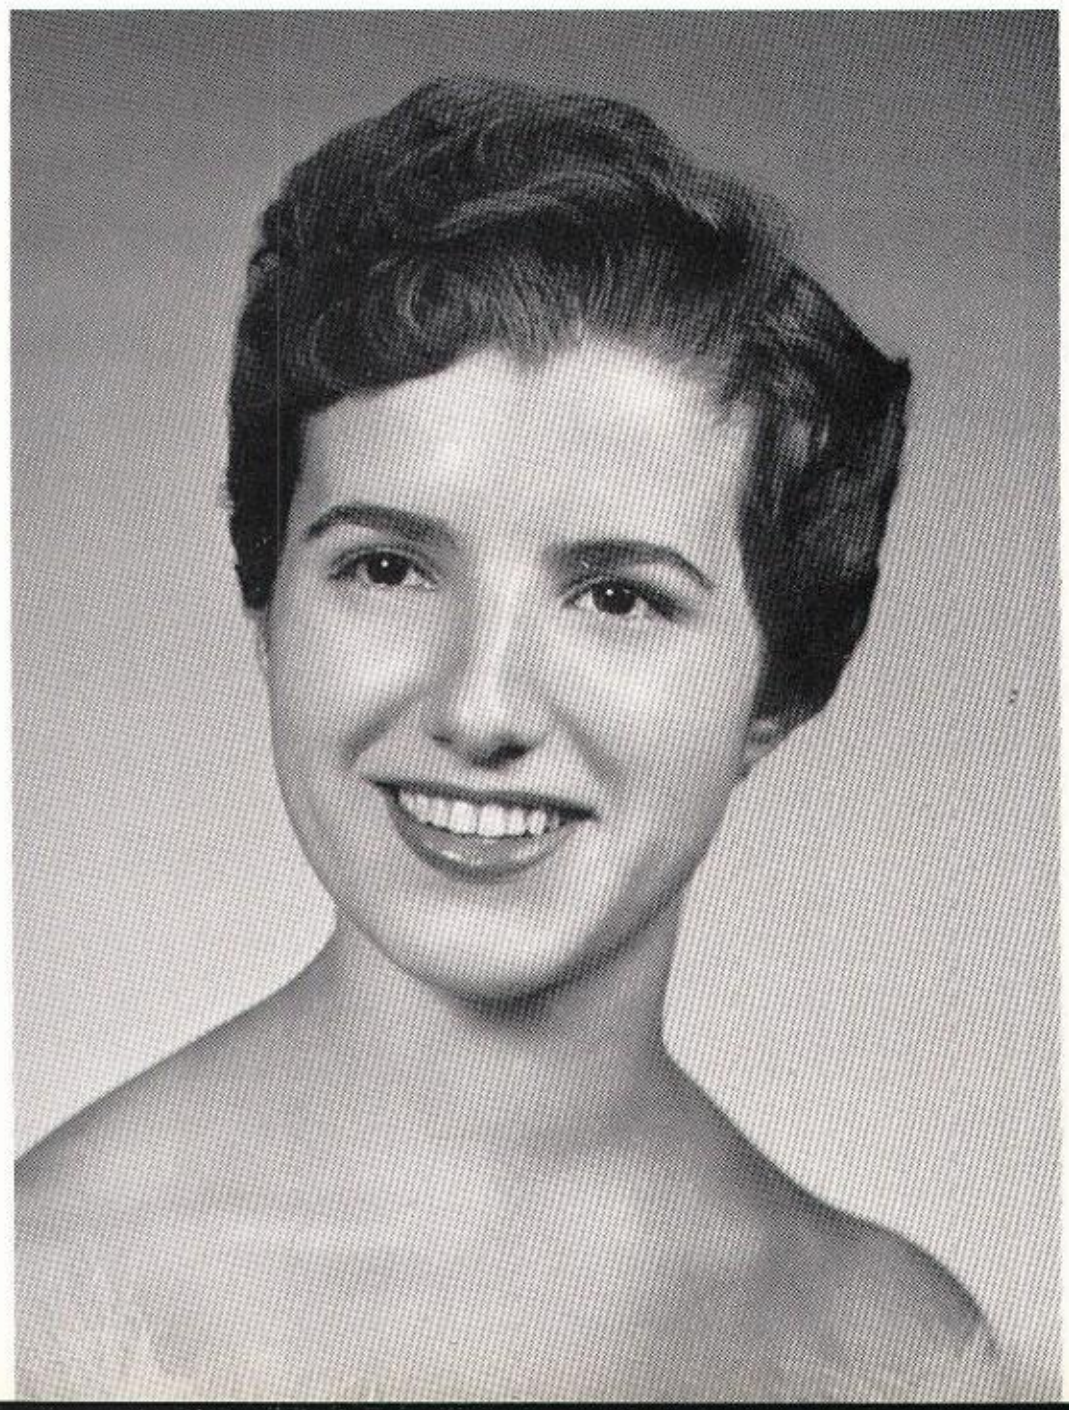
FUTURE HOMEMAKERS OF AMERICA



EAST TENNESSEE STATE FHA VICE-PRESIDENT

The Roane County High Chapter of FHA is proud to have one of its members, Ann Tutterrow, elected as the 1957-58 East Tennessee State Vice-President. This was the first time that our school has ever had a state officer.

Several expense-paid trips were among Ann's activities. She was one of the two official pianists at the National FHA Meeting in June at Purdue University in Lafayette, Indiana. She attended district workshops at Middle Tennessee State College, the University of Tennessee, and Memphis State College. She had the responsibility of helping plan these workshops, participating in programs, leading group discussions, and presiding over sessions. Then in March came the State Convention with all its fun and glamour. Besides helping with the planning of the convention, there are numerous responsibilities that a state officer assumes. To Ann this year in FHA was a year of fun, work, and reward.

KAY LUTHER — HOMECOMING QUEEN

Her sweet disposition, her lovely personality, and her friendly nature make Kay, a Senior, richly deserving of this honor.

HOMECOMING ATTENDANTS

During the half-time of a winning game with South Harriman on a rain soaked field was the homecoming coronation. Preceding the queen were the seven attendants with handsome football players as escorts. These young ladies are as popular as they are pretty, and their smiles add glamour to Roane County High. SEATED: Norma Gillentine, Virginia Wyatt, 1956-57 Homecoming Queen; Jeanene Keating, and Virginia Southard. STANDING: Donna Frey, Marilyn Roberts, Kay Luther, the Queen, Carol Jane Robbins, and Shirley Pierce.

LEFT to RIGHT: Bill Isenhour, Manager, Clifford Cole, Jimmy Nall, Hugh L. Burnette, Ronnie Morton, Donald Medley, Glen Collett, Ronnie Gaither, Larry Ladd. KNEELING: Larry Finch, Co-Captain, Neil Holloway, Coach, Ira Lee Crass, Co-Captain.

BOY'S VARSITY BASKETBALL TEAM

The Kingston Yellow Jackets have in the past been a power in this area; and this year has been no exception. Their lack of height was offset by their speed, alertness and agility. Coach Holloway's two fine captains, Larry Finch and Ira Lee Crass, led the team to victory after victory.

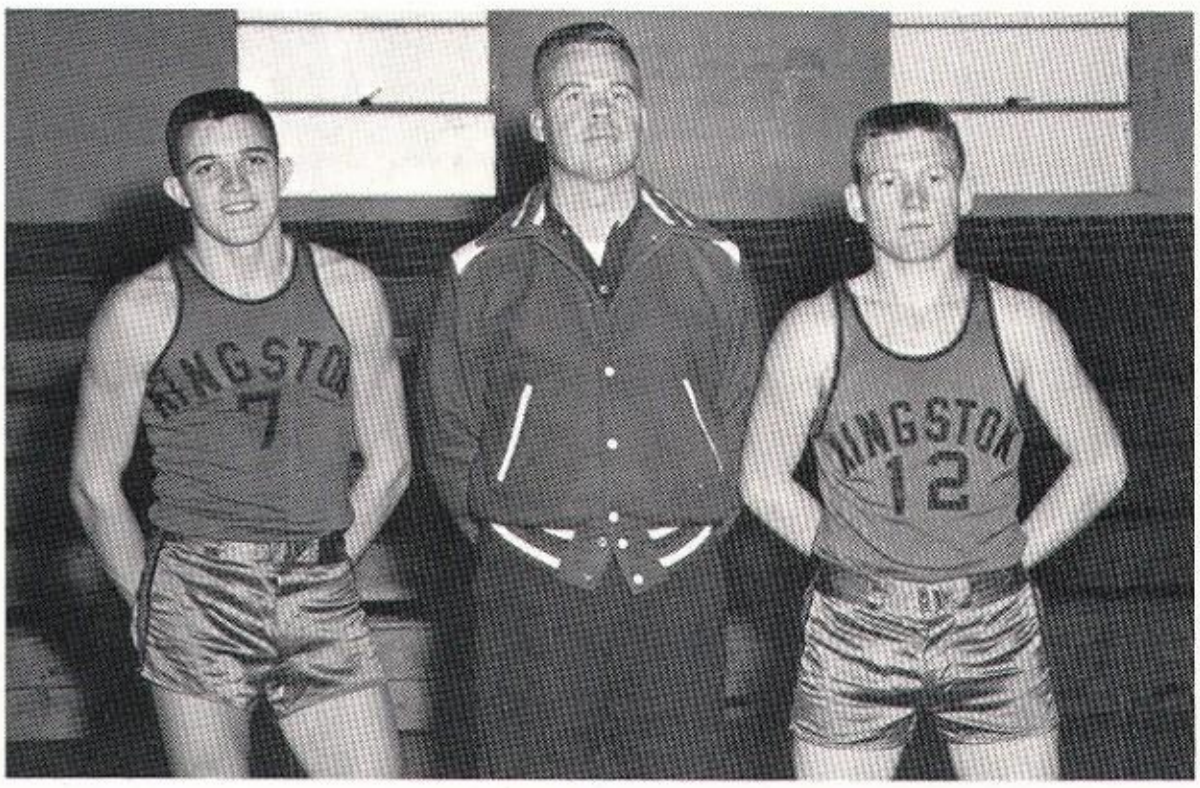
BASKETBALL B-TEAM



Coach Holloway's "B" team composed of 12 members had a very successful season. In view of their youth, ability and desire to learn, Kingston's basketball future appears very bright!

STANDING, Left to Right: Frankie Gordon, Janet Morrow, Linda Johnson, Coach Derryberry, Margaret Duff, Reva Burnette. KNEELING: Janet Taylor, Captain, Marilyn Roberts, Diane Fultz, Jan Osborne, Barbara Hamilton, Patsy Duff, Linda Christopher, Shelby Hughes.

GIRLS BASKETBALL TEAM

We all know that it is just as important to know how to be a good loser as well as a good winner and these girls have proved to be wonderful sports. Only having four seniors on the team, proved that it was a young one. From all indications, the next three years are going to be outstanding ones for Kingston's girls' team.

ALMA MATER

Just across the flowing river,
Stands old Kingston High;
She's our Alma Mater ever
As the years go by.
She's a fair one; she's a true one;
She's our do or die-
Hail, to thee our Alma Mater
Dear old Kingston High.

Cherished by our sons and daughters,
Memories sweet shall throng.
Here's to you our Alma Mater,
As we sing this song.
Onward ever be our watchword,
Conquer and prevail-
Hail to thee our Alma Mater,
Kingston High, all hail.

THE WOOD IN YOUR LIFE

Newspapers keep free people informed. Behind this week's headlines are the skills and talents of men and women who write and print America's 11,000 newspapers. Behind them stand our forests where trees are cut according to plan. With wise woodland management there will be plenty of wood to feed the nation's presses next month, next year or next century. Wood is a crop.

AUTOGRAPHS

Howdy,
My name is Murry Cathurn. Remember?
You're honestly the best teacher I have ever had. (No Spuffing) I have an easy feeling that I have had in no other class when I'm in study hall and in Literature.
I hope you, Pap, and "Harmless Hayse" have as much happiness the rest of your lives as you have had before.
I like you a lot.

Murry Cathurn

Dear Mrs. Merritt,
I have really enjoyed knowing you these last four years and especially having you as one of my teachers. I wish there were more teachers as interested in us ("Seniors") as you are. You seem more like one of the "gang" than a teacher + we all love you for it. Best of luck + happiness to you in your future years of teaching. I know we haven't always been angels + we appreciate your putting up with us.

Love,
Sandy Wilmarth

Best wishes to one of my favorite teachers. I have learned more this year in English and Literature than ever before. I have enjoyed every moment in your Class.
